

**Casa-Approved Guide,
Pat Baars**

John of God and Pat Baars

Having an experienced, conscientious, Casa-approved guide to visit John of God is of fundamental importance. Pat Baars was designated as an approved Casa guide by the spiritual entity of Dom Ignacio de Loyola himself, Patron Saint of the Casa. She herself has had many incredible healings and surgeries at the Casa which have served to enrich and deepen her experience as a guide.

As a clairvoyant, she is often shown the powerful healings taking place at the Casa, and she shares what she witnesses. Her personal goal as a guide is to make each trip as restful, rewarding, insightful and enjoyable as possible for her group participants, and to help each person maximize and co-create with John of God and the spiritual entities the most wonderful healing adventure of their lives. Many visitors have had life-changing insights and experiences. Everyone who desires healing receives it for free.

Testimonials

I went with Pat Baars to see John of God and it was a remarkable healing experience, and I highly recommend it! Pat is a marvelous, capable and loving guide and psychic. She is so dedicated to her charges, and her heartfelt caring and concern and giving are paramount! Now is the time for healing ourselves—treat yourself. Go!

—ES, Santa Monica, CA

Pat is in my opinion the best guide of all! Not only is she pleasant and fun to be with, but she has very unique skills and gifts that added so much to our trip. She can see the Entities and knows what is going on! Pat keeps her groups small and is very thorough in her planning, teaching and care. She took great care of us.

—PM, Del Mar, CA

Pat was our guide, advisor, therapist (during our confusing times), and friend. We felt blessed to have had access to her wealth of knowledge of the rules, procedures and life at the Casa, plus her experience and understanding of the healing process of body, mind and spirit.

VISIT JOHN OF GOD IN BRAZIL

Joao Teixeira de Faria, known as
John of God
World-Famous Healer

John of God is without a doubt one of the most powerful and successful healers alive today. Through John of God, a full trance medium, more than 35 spirit guides minister to hundreds of people who visit him daily from all over the world. They come to the Casa de Dom Ignacio in Abadiania, Brazil, for healing on spiritual, mental, emotional, and physical levels. The Casa, as it is simply called, is a sacred site named for the primary spiritual entity, St. Ignatius de Loyola, founder of the Jesuits.

The Casa sits on a vortex of energy, and the spirit guides of John of God are assisted by thousands of other spirit helpers. Healing occurs 24/7 during the tour, often begins as soon as one commits to going, and continues after the return.

For over 50 years, John of God has performed visible and invisible surgeries without physical anesthetic, but remarkably, patients feel little or no discomfort. His capacity to help people heal from numerous types of serious illnesses is legendary. Healing can take place on spiritual, mental, emotional, and physical levels. However, John says, “It is not me, but God who heals.”

Of the books written about this awesome healer and his miraculous results, particularly good are “*John of God, Brazilian Healer Who’s Touched the Lives of Millions*” by Heather Cumming, and “*Spiritual Alliances*” by Emma Bragdon. This remarkable man and his wonderful healing work have appeared on American television: Two hour-long specials on *PrimeTime*, a one-hour special on him on the *Discovery Channel*, and on *National Geographic*. He has also been aired on the BBC and filmed by companies from Ireland, New Zealand and Australia.

“For those who believe, no words are necessary; for those who do not believe, no words are adequate.”

–Dom Ignacio de Loyola
